THE ARROW

EASTERN JUNIOR HIGH SCHOOL
PONTIAC, MICHIGAN
JUNE 1, 1963

This 1963 Arrow brings you a living record of the fine progress made at Eastern Junior High School this year. We all will treasure this graphic presentation of our outstanding achievements - the cooperative work of all the people involved in our school.

We at Eastern provide a stimulating atmosphere for learning. You students can find an education here. All you have to do is to wish to learn, to strive to learn, and to work to learn.

*Jeff, a nice guy who fell on his leg with is skate on (HA-HA). Have just hopping around just with one leg. Best Wishes

*Best of Luck

crutches next year*

*Richard

By being curious about yourself and the world you live in, and by being eager to avail yourselves of the available opportunities, you will continue your educational development. You should realize that education is a continuing process which ends only when ambition dies.

Ninth Graders, our good wishes go with you as you seek to grow educationally. May you strive to be sincere, industrious, and persevering in your pursuit of knowledge. Congratulations to all of you.

Mr. Theodore Wiersema
Principal

*Good Luck
in your future
school days

Mr. DeVoe & Mr. Kasher

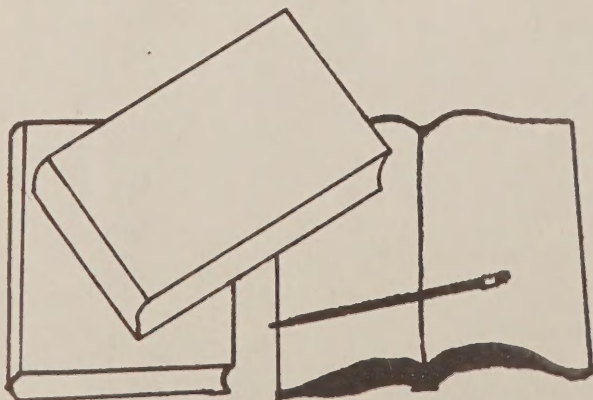

The road which seemed so long three years ago, has been traversed too quickly. The strange setting which greeted me when I first opened the big front door which announced Eastern Jr. High, is now as comfortable as an old friend. The bittersweet memories pull at many emotions.

With anticipation and sorrow, we present a pictorial review of the memorable stopping points which held our interest during the last leg of our journey. As the school has contributed to our maturity and understanding, the student body has contributed to the school...our spirit, our personality, our quest for light.

The school year of 1962 - 1963 has been full, dynamic, and strengthening. Here is our story.

On April 19, 1963, our beloved teacher, Mrs. Thelma Thomas passed away at St. Joseph Hospital as a result of a sudden heart attack.

Mrs. Thomas taught in our Homemaking Department. This was her first year in teaching. Mrs. Thomas' understanding and kindness will stay in our memories for a long time to come.
